

SCOUT NEWS

December 2008

Despite December being a short month due to the Christmas Post and the Christmas Holidays, we did have a couple of activities to enjoy

On Friday 12th, we all went on our planned night hike around Irby village. This was great fun and most of us managed to get covered in mud and not all accidently either - good fun!!!

We had another great evening out on Thursday 18th to the bowling alley at Bromborough where ASL Keith won. We think this was partly due to the practice he had a couple of weeks before on a Leaders night out.

During January we will be focussing on challenge badge work and beginning practice for the District Backwoods Cooking competition which will be taking place in March.
