

CUB NEWS

November 2008

We have had a busy month which started with the Group's 75th anniversary celebration where we all enjoyed the fireworks and the hotdogs. At the celebration, new cubs, Ryan Nolan and Matthew Costall were invested and recently-invested cubs, Harry Nugent, Ryan Johnston and James Green remade their promise so their parents could see them.

We attended the District Outing to Chester Zoo on the 8th and then had an excellent turnout at St Bart's for the Remembrance Service on the 9th.

The 10th saw us filling up shoe boxes with Christmas Gifts for Operation Christmas Child which will sent around the world to children less fortunate than ours that don't understand Christmas as our children do. Ten of the older Cubs visited 5th Heswall Pack and joined them for the Samba Man. At the end of the meeting we held a Moving on Ceremony for Christopher Gray, Charlie Holmes, Oliver Nugent and Liam Conroy as they move on to Scouts. All the Cubs were awarded their Moving on Badge, with a citation detailing all their achievements whilst in the Pack.

Christopher, Charlie and Oliver were awarded the Chief Scout Silver Award, the highest award in the Cub Pack.

On the 17th the Samba Man came to us, we had a very loud entertaining evening with all the Cubs taking part in making Samba Music, the same ten Cubs went back to 5th Heswall and had a talk from an elderly gentleman who has lived in Heswall all his life.

Finally on Monday 24th we had the Christmas Fair where we had lots of stalls and raised lots of money for our Group.
