

The Beavers' activities started on Bonfire night with the Group's 75th anniversary celebration where we all enjoyed the fireworks and the hotdogs.

The highlight of the month was a visit to Birkenhead Fire Station with half the colony going on one night and the other half on a different night. It was a great experience and all had an exciting time seeing all the equipment and riding on the platform.

The Beavers who were not at Christmas tree decorations, calendars and decorated food

the Fire Station made created fingerprints for boxes for the Christmas party.

On the 9th November, we took part in the Remembrance Day parade at St Bartholomew's church with the Cubs and Scouts.

We attended the District Craft Day on the 22nd and made lots of things for Christmas including reindeer food and we all wrote a letter to Santa Claus saying what we would like for Christmas.

Finally on Monday 24th we helped at the Christmas Fair to raise funds for our Group.

Activities in December - not to be missed

Christmas Party
Thursday 4th December

District Carol Concert
Saturday 6th December
