

The annual visit to Camelot was cancelled this year so instead the District Cubs went to Manchester to visit the Science Museum. More details will appear in the Activities section shortly

We returned after Easter on 20th April with a games night and we wrote prayers and made a sharing / fair trade poster in each Six for the St George's Day parade church service. We also made a thank you card from each Six for the Fire Station in Birkenhead following our visits at the end of last term.

We attended the St George's Day parade in West Kirby on Sunday 26<sup>th</sup> April and more details can be found on the Activities page.

27th April we had a visit from a volunteer who works for Operation Christmas Child, she talked to us about the Christmas Shoebox Appeal and showed us a short film about where in the world these boxes go and the children who receive them. The Cubs really got the message about what a difference these boxes make to the children who receive them and how different their Christmas is to the ones our children experience.

Sean Walker and Jacob Thatcher were invested, neither having being in the movement before. Also Ben Blanchard received the Chief Scout Silver Award and Duncan Hart completed his Cyclist and Chef Activity Badges at home with help from his parents.

## Activities in May - not to be missed

Note no meetings on 4<sup>th</sup> or 25<sup>th</sup> May - Bank Holiday
