

# BEAVER NEWS

April 2009

Our first meeting of this month was cancelled and the Group Easter fair was held instead. Then the following 2 weeks were also cancelled due to the Easter holidays.

On our first meeting after the holidays, we had a St Georges Day evening in which we made shields ready for the service and parade on the Sunday. We also made swords and decorated cup cakes with white icing and a red cross. At the end of the meeting we listened to the story about St. George and talked about it afterwards.

On the final week in April, we visited Hoylake Lifeboat Station and had a great time. You can read more about this in our Activities section.
