

On December 3<sup>rd</sup> we had our Christmas party we played 4 different games one of which was pass the parcel, of course they all enjoyed ripping the paper off. The evening was finished off with Pizza, cake and a drink.

On Saturday 5th December, we attended the District Beaver Carol Service and party at St Andrews Church West Kirby. The theme this year was Christmas around the World and our country was Australia and included the traditional cork hat.

The Service was followed by the party in the adjacent church hall where we met Santa and had some grub as you can see in these photos.

Thursday 10th December was our last meeting of the year and we visited the Funky Flair pottery Studio in Hoylake. We had a great time there and you can find more details and photos on the Activities page.

**Merry Christmas and Happy New Year**
