

At the beginning of the month we attended the Beaver Challenge at St Andrews Meols and all had a great time. Go to the Beavers Activity page to see more details and photos

The following week, as part of the Explorer Badge, we went outside and looked at the night sky. We are watching the stars and the different phases of the moon.

After half term, we had a joint meeting with the Cubs at which a man brought his "Bug-Box" and talked to us and showed us lots of creatures.

Beaver Oliver Smith enjoyed it so much that he has written the following for our newsletter....

*"I liked holding the Scorpion, it tickled my hand. I pulled out a snail from the Bug Box, it was an African snail. It was massive! I had lots of fun."*

Well done Oliver!

Go to the Cubs Activity page to see some "buggy" photographs

## Activities in March - not to be missed

**Make a Stargazer**

Thursday 5<sup>th</sup> March

**Police Visit**

Thursday 12<sup>th</sup> March

**Mothers Day Activity**

Thursday 19<sup>th</sup> March

**Easter Activity**

Thursday 26<sup>th</sup> March
