

SCOUT NEWS

January 2009

January saw us beginning to look at the various Challenge badges and work out what we need to do.

We have made a start on the Fitness Challenge badge and will be doing circuit training for the next few weeks.

In anticipation of the District Backwoods Cooking Competition, we are planning a couple of practice days along with other groups in the district. The first day is planned for Saturday 7th February at our HQ and another day will be on Saturday 7th March at one of the other Group's HQ.
