

Due to the repairs to the Marine lake in West Kirby, we could not go canoeing on the 6<sup>th</sup> July, so we had an orienteering exercise in Ashton Park which was very good and enjoyed by all.

The following week, for the same reason, our crab-baiting activity was also cancelled so we went to Thurstaston beach for a scavenger hunt then a walk along the Wirral Way.

This was our last meeting before breaking for the summer and we will meet again on Monday 7<sup>th</sup> September
