

# BEAVER NEWS July 2009

On July 2<sup>nd</sup>, we went tracking. We followed a trail set by one of our leaders using sticks and stones to make arrows on the ground.

At the next meeting, we learned how to pitch a tent and we made flags for sandcastles which we are going to build the following week on Thurstaston beach.

A successful District Beaver Sports Day was held on 11<sup>th</sup> July at Thurstaston HQ. We had 13 Beavers taking part and all Beavers received a medal. Everyone enjoyed the event especially in the fine weather.

Unfortunately, the weather was so bad the following week that we couldn't go to the beach to make sandcastles, so we stayed in HQ and had a games night.

This was our last meeting before breaking for the summer and we will be back again on 10th September.
