

On June 8th 30 cubs went to the Bidston recycling facility. We were shown round in two groups and played recycling bingo. We will all receive a goody bag as a souvenir of our visit.

The District Cub Camp was held on the weekend of 12th to 14th June at Hadlow fields. We attended with 32 Cubs and also 9 Scouts. We had a great weekend and finally we won the District Tug-of-War competition. More details and photos will appear in the Activities section.

We were all tired after the camp weekend so for the following Monday meeting, we had a games night.

The meetings for the rest of the month were focussed on the Outdoor Challenge badge.

Activities in July - not to be missed

Note that the planned activities highlighted below will have to be revised due to the unavailability of West Kirby Marine Lake

Canoeing

Monday 6th July

Crab-baiting

Monday 16th July
