

SCOUT NEWS

June 2009

Due to the increased number of scouts in the troop, we created a third patrol and now have Foxes, Peewits and Tigers

The highlight of the month was taking part in the District Cub Camp at Hadlow fields. We helped out with the camp cooking as part of our Camp Cook badge and on Saturday afternoon, we visited the Adventure Trail at Manley Mere Water Sports Centre. It was great fun and very wet. More details can be found in the Activities section. After the camp, we hiked back to HQ along the Wirral Way, a distance of about 9 miles.

We also took part in the District 5-a-side football competition and narrowly missed (by goal difference) getting into the finals.

For the rest of the month, we have focussed on First aid and Emergencies training.

Activities in July - not to be missed

First Aid & Emergencies

Friday 3rd July

Incident Hike

Friday 10th July

Games Night

Friday 17th July
