

The district swimming gala was held on Sunday 1st March at Leasowe. We entered every event and several cubs reached the final with one winning. Overall we came 3rd out of 11 packs, which was a very creditable performance. Look on our *Activities* page for more details and photos.

On 2nd March we had a Moving On Ceremony for Luke and Josh as they move to Scouts from Cubs, both having completed the Moving On Award, with Josh having also achieved his Chief Scout Silver Award, Luke is almost there and hopes to complete the last few bits in Scouts. Afterwards, as part of the Global challenge, we learned about the Comic Relief Charity and the work they do in various countries with the money raised on Red Nose Day.

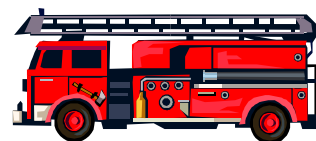

The following week we had our own Red Nose party with everyone coming in pyjamas or other funny clothes. We played games and decorated cakes and raised over £130 for Comic Relief. You can see more details and photos on our *Activities* page.

On the 16th March we had a craft evening and made cards for Mother's Day in the shape of MUM.

For the final 2 meetings in March, the pack was split into 2 with, on the first night, Fire and the half Easter items and fairy the second night.

on the other half making craft cakes and then vice versa on At the Fire Station, we were shown around by the Station Officer who allowed us to use a hose pipe and climb aboard a fire engine. More pictures are available on the Photo Gallery page.

Activities in April - not to be missed

Visit to Manchester
Science Museum
Saturday 4th April

Visit from Organiser of
Operation Christmas Child
Monday 27th April
