

7th March saw our second Backwoods Cooking practice day at Frankby/Greasby. This was more successful and we managed to not only light a fire but also cook some food. We did well and were judged in second place amongst all the teams taking part. You can see some photos of the day by going to our *Activities* page.

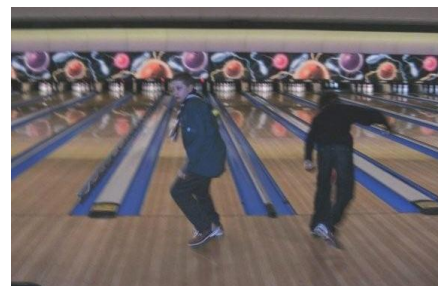

Friday 13th March was Red Nose day and we had an evening of celebration fun and games where we raised about £35 for comic Relief. See more on our *Activities* page.

The following week we had a visit from the Student CPR team who demonstrated with the Resusi Annie doll, then allowed us to practice what they had taught us.

We took part in the District Bowling Competition at New Brighton on 26th March and although we did not win, we had an enjoyable evening.

Activities in April - not to be missed

**Great Escape Weekend
At Tawd Vale**

Friday/Sunday 3rd/5th April
