

BEAVER NEWS

May 2009

Over the first weekend in May, we had a Group Camp during which we had our first Beaver sleepover. You can read more about the weekend in the Activities section.

On May 7th, we had a visit from Mark the Policeman. He talked to us about Stranger Danger, showed us the inside of the Police Car, and let us sound the siren and turn on the flashing blue lights. He handcuffed a few of the Beavers and also the Leaders.

The following week, we were joined by the Beavers from 4th Moreton. We held an experiment evening that was enjoyed by all.

On Wednesday 20th, we had a walk and treasure hunt through Harrock Wood, across the fields and back to the Scout hut. It rained but nobody complained. See Photo Gallery for some pictures of wet Beavers.

Activities in June - not to be missed
