

SCOUT NEWS

November 2009

We started the Month on the 5th November when, as part of the Creative Challenge Award, 19 Scouts prepared a glow stick "Scare" trail for the Cubs and Beavers. Scouts also helped the Beavers and Cubs toast marshmallows over an alter fire. Keith Quayle ASL was able to light the bonfire despite the very wet conditions.

The following week the Scouts, led by the SPLs and PLs practised using the gas cookers by preparing hot drinks.

On the 20th November we attempted to produce Christmas Present tags for sale at the Fair, but despite some hard work on everyone's part the resulting "product" was not deemed worthy of sale. We will try something else for next year!

Scouts also participated in the Christmas fair on the 23rd helping to run several stalls.

At the end of the month, 11 Scouts accompanied the Cubs to the old school lodge at Deiniolen and enjoyed trips to Anglesey Sea Zoo and South Stack Lighthouse on the Saturday and Llanberis Slate museum on the Sunday.

More details on this weekend can be found in the Activities section.

Activities in December - not to be missed

Night Hike

Friday 11th December

Visit to Awesome Walls

Thursday 17th December
