

BEAVER NEWS

November 2009

For the first meeting, we had a joint Halloween & firework party with the Cubs & Scouts. There were 5 different activities: - Spooky glow stick trail. Toasting marshmallows on an alter fire. Duck apple. Scratch Art Halloween pictures, Spooky feely boxes.

We finished the night off with hotdogs, doughnuts and a drink and enjoyed watching the fireworks. This was a very enjoyable evening and no rain!!

The following week, we started making Christmas decorations for the fair: -glitter baubles for Christmas trees. Before we made these the boys played a game of Spoons and we welcomed 4 new Beavers.

On the 19th, we had a Children In Need Night. The Beavers came in fancy dress or own clothes and paid a £1. They brought in photos of themselves to put into the snow globes, we were making for the fair plus they made edible snowman. At the end of the evening they could buy homemade cakes & biscuits. See the Activities page for photos.

For the final meeting of November, we started with a game of Red card run, the boys then made a Reindeer Christmas cards for their parents. Just before the end of the night we all had a group photograph taken to send to our Pen Pals in Canada. 3 Beavers were presented with their 1st year joining-in badge.

On Saturday 28th, we attended the District Beaver Christmas Craft day. This was an activity day with just over a 100 Beavers making different crafts to take home. We ended the day playing a large game of ladders.
