

For the first meeting we tackled the Fitness Challenge and the Beavers were set various activities (see left) to check their fitness levels, which left a few puffing and panting.

Afterwards they checked their pulse rates (see right).

Jason Barrowclough received his Chief Scout's Bronze Award which is the top award in Beavers.

Well done Jason!!!!

The following week, 29 Beavers and 7 leaders all went off to the bowling alley in Bromborough for a game of ten pin bowling, which was enjoyed by all.

This week, we were planning to do line-dancing but this was postponed and we had a baking night instead which the Beavers thoroughly enjoyed. The following boys were invested: - Jack Anstiss, Sam Maxwell, Thomas Hartwell, and Alistair Carswell. The following gained their '1st year joining in' badge, David Barry, Ben Murphy and Adam Parr.

During the meeting before half-term, we made some Christmas decorations for hanging on the tree, to sell at the Christmas fair. Five more boys were invested, Ben Green, Ronan Conroy, Henry Rudd, Jack Woods and Matthew Baker, and the following boys gained badges: - Jason Barrowclough 'Imagination' activity badge, Sam Costall 'Hikes 1' and 'Explore' activity badge and George Nugent received his Bronze award, well done to all.
