

1st Thurstaston Richardson Scouts Update

December 2010

Thursday 2nd December

Instead of the usual Friday troop meeting we attended the Scouts District Christmas service on the Thursday. This was organised by Alison Sterling our ADC Scouts. The service was laid on by White Horse and was very enjoyable.

Friday 10th December

As is becoming a tradition around Christmas time we went on another night hike. We started at Thurstaston visitors centre and made our way via the Dungeon and the View Point on the common to the Scout Hut.

Wednesday 15th December

We joined the cubs for a night at Awesome Walls climbing centre in Liverpool. Both cubs and scouts really enjoyed this and took on some very challenging climbs.

The scouts who took part were able to count this towards their Adventure challenge.

Awesome walls was the last meeting of the year but many scouts and their families helped out with the Scout Christmas Post both sorting and delivering.
