

BEAVER NEWS

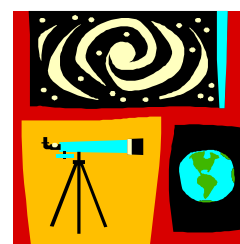

February 2010

To enable the Beavers to gain their first emergency aid badge, we ran a first aid night. There were 4 bases:- the recovery position, bandaging & bleeding, what to do in an emergency and a word search. The boys were put into 4 groups for this.

We should have had the trainee doctor's coming to demonstrate CPR, unfortunately they had to cancel at the last moment. So we continued with the first aid that we had been doing the week before. We invested Thomas and Owen and said our goodbyes to David and Adam as they move up to Cubs. This was our last meeting before half-term.

After our half term break we had a talk about the night sky and showed clips of the different planets, with a question and answer game using certain chocolate bars. We are very fortunate to have a parent who is an Astronomer. We welcomed 3 new Beavers into the colony:- Thomas, Samuel and Joel.

Activities in March - not to be missed

Visit to Police Station

Thursday 4th March

Mother's Day Activity

Thursday 11th March

St Patrick's Night

Thursday 18th March

Easter Fair

Monday 22nd March
