

Due to the weather conditions at the start of the year we missed our first meeting.

On Friday the 15th the Troop reviewed and agreed changes to the "Code of Conduct". This is a set of guidelines as to how to behave in Scouts agreed by all troop members. There was also a chance to practice some of the DIY skills when some of the PL's helped the SL mend a leak from the water tank due to the cold weather.

The following week we held a Troop Forum. This was led by the SPL's, PL's and APL's. In the forum suggestions for future activities were discussed and agreed upon, at the end of the evening we invested another 3 Scouts, a warm welcome to Edward Rudd, Dan France and Harry Poole and also to Carrick Hurley, GJ White and George McDonald who are coming up from Cubs.

On Friday 29th we carried out some First Aid training, and made good use of the resuscitation dummy. As a rule most Friday evenings are split into working towards badges or challenge awards and taking part in games.

SL Andy would like to thank all parents for getting back to him in a timely manner with Interest responses and Activity payments and deposits.
