

Friday 4th June we continued with training on Axe and Saws and some survival skills.

Friday the 11th Julie arranged for a Rock Band experience which was appreciated by all who attended.

A number of the new Scouts went to the District Cub Camp at Hadlow Fields in June. Amongst other activities they helped cook the breakfast for the camp, prepared their own evening meal on an open fire and went on a 4 mile hike.

On returning from the camp, the Scouts who had attended joined several others for the District 5-a-side competition. We narrowly missed out topping our group and were beaten in the 3rd place play-off. This is one step further than last year though and was a good effort all round.

Friday the 18th some of the Scouts watch the England vs. Algeria game - not a very pleasant experience.

Friday 25th June we had games evening.
