

It was a very busy month that saw activities taking place every weekend as well as a full program of troop nights. We invested another three Scouts (two in Delamere Forest) all former cubs - Carrick Hurley, George McDonald and GJ White.

On Friday the 5<sup>th</sup> of March scouts spent the evening assisting with setting up for the Jumble sale and finished the evening with wide games outside the hut organised by Keith. 6<sup>th</sup> of March many Scouts assisted with stalls at the Jumble sale and the following day we carried out a sponsored hike in the Delamere Forest with the assistance of Robin Tutchings and Steve Webster.

Saturday 13<sup>th</sup> and Sunday 14<sup>th</sup> nine Scouts took part in the District camping and cooking competition practice. This took place in Frankby at the 1<sup>st</sup> Frankby Greasby Scout hut.

On Sunday 21<sup>st</sup> fourteen scouts went ice skating a Deeside Leisure centre. Steve Barnes assisted during the day with transport and supervision. This was enjoyed by all with only minor injuries mostly to pride.

We finished the month before a well earned 2 week Easter break at the Great Escape. This is an excellent County competition where the Scouts compete in 15 different tasks all with a problem solving or team work theme. Both teams did extremely well scoring an Average of 8/10 on each base and placed in the top 15 teams out of 65. On the Sunday there was also a fancy dress competition which explains the picture below!

#### Events Planned in April

15<sup>th</sup> April CPR Training, with Doctors from Liverpool Hospital

25<sup>th</sup> April St Georges Day parade
