

BEAVER NEWS

March 2010

On the 4th March we visited Bromborough police station. We split into two groups and were shown around the various parts, we sat in the cells, were shown the riot mini bus and were fascinated by the cage at the back of the bus, and the riot shields.

Then we were shown the Police car, operated the flashing lights and siren and most of us wanted to sit in the driving seat of both the riot bus and the car. Some of us were handcuffed which we thought was great fun.

Finally we all had our finger prints taken, including our Beaver mascot Nibbles.

The following week we made our mums a card for Mothers Day, in the shape of a blouse. These were made in different coloured card and they looked very effective.

We have had a St Patrick's night where we made Irish neckerchiefs from green crape paper with shamrock Woggles. We played a game called Leprechaun's crook, and had Coca cola and pretended that it was Guinness.

The following week we joined in with the group Easter Fair, where we had a homemade cake stall.

Activities in April - not to be missed

CPR Training
Thursday 15th April

Visit to St Bart's
Thursday 22nd April

St George's Day
Sunday 25th April
