

After a break for the bank holiday we came back to Cubs on the 10th May with a night of map and compass skills, hopefully to gain a little practice for the Cub Skills day which we entered on the 15th May and came a very satisfactory 5th out of the 10 packs taking part.

The following week we learned about tracking signs with a game of tracking bingo and a relay game to identify the different symbols.

On the 23rd May three Cubs Alex Irwin, Charlie Carroll and Matthew Callaghan took part in the Wirral Coastal Walk to help raise funds for our new Mini Bus.

On Tuesday 25th May we walked down to Royden Park via Sandy Lane and took it in turns to lay tracking trails for each group to try and follow.

Activities in June - not to be missed
