

Ismay Colony Newsletter - Dec 2011

This month we have invested 3 new Beavers, Jamie, Euan and Sam. Congratulations boys.

We've had a couple of productive evenings making Christmas crafts – tree decorations and penguin cards.

We've also spent an evening at the potting shed painting a variety of different pottery objects. We had burgers, skulls, dragons, lizards etc. They are going to look lovely when we get them back from being glazed and fired.

On Saturday 10th December we attended the District Beaver Christmas Service and party at Heswall URC. Santa turned up at the end of the afternoon and gave all the beavers a present.

On our last night before Christmas we went bowling at Bromborough. The beavers got some good scores- amazingly with some of the unusual ball throwing techniques! Can I please take this opportunity to thank all the beaver parents for their help and support over the past year. It is much appreciated. Thank you.

Hope you all have a lovely Christmas and we'll see you all on Tuesday 10th January for our first beaver meeting of the New Year.
