

Thor Beaver Colony newsletter December 2011

Once again the Beavers have been very creative, making Christmas tree decorations and Stained Glass windows to sell at the Scout Group Christmas fair. A HO, HO, HO Christmas card to give to their parents. We had our yearly visit to the Potting Shed studio. Each Beaver chose a piece of pottery and painted them with their choice of colours. These will be ready once they have been fired and glazed. Here are a few photos. We attended the District Beaver Carol service and party, at the Heswall U.R.C. where Tobin Steele received his Chief Scout Bronze award, and Cath Corby leader of Ismay colony received her Wood Badge. Our last meeting before Christmas was a visit to the Bowling alley in Bromborough where everyone had a good time. We said our goodbyes to Jack Chesters, Tobin Steele and Isaac Wright and wished them all the best as they move up to Cubs. We will return in the New Year with a Hogmanay Party.
