

Thor Colony Newsletter - Jan/Feb 2011

Thursday 13th January

This was our first night back after the Christmas break. We had a New Year party and welcomed Haydn, Daniel and Macenzy to Beavers. They told each other what they got for Christmas. We talked about New Year resolutions and if they had made any. They played their favourite games and finished the evening with Pizza, cake and a drink. Joseph Cross, Jack Woods and Jack Blanshard received their Friendship Challenge badge.

Thursday 20th January

We talked about doing "Good Turns", for people. They were then asked to do 2 good turns for someone that they knew. They all made their own Beaver peg to put their good turns on. At the end of the night we invested Finley Newton, Isaac Burchall and Joshua McCoy.

Thursday 27th January

This was the start of our Safety badge. The Fire Officer's came to talk to the Beavers about Safety around the home, at the end they showed them around the Fire Engine. Before they left they conducted our fire drill for us. At the end of the evening Sam Maxwell received his Experiment badge. Ronan Conroy showed us photos of his Bearded Dragon.

Thursday 3rd February

The Beavers continued with Safety in the home. In groups they were given pictures of different rooms around the house, to identify the dangers. Isaac Wright received his Healthy Eating badge and Joshua McCoy received his Hobbies badge.

Thursday 10th February

We visited Irby Library, Diane the Librarian talked about the workings of the Library. They then split into two groups one did the activity, alien masks and the other group went on the computers. They swapped over part way through the evening. The evening ended with a story and they were given literature to take home.
