

1st Thurstaston Richardson Scouts Update

June 2011

3rd June

Throughout June we have concentrated on traditional Scouting activities like fire lighting and Axe work.

10th June

Continued with Axe and saw work fitting in a game of rounders.

12th June

We entered the district football competition and put in a creditable performance with 1 win, 1 draw and 1 defeat.

Despite the wet weather the scouts really enjoyed themselves thanks in part to the new event shelter. Truly a piece of equipment that is paying for itself!

13th June

A number of scouts helped at the Cubs with backwoods cooking. They prepared fires and helped supervising the cubs.

17th - 19th June

The highlight of the month was the District Viking camp where 9 scouts attended. It was great for all the sections to be able to mix including the beavers with some even staying over.

Of all the activities it seems that the bouncy castles were the most enjoyed.

Particularly enjoyable was the Viking re-enactment society who gave some excellent demonstrations and really engaged the children.

24th June

I wasn't able to attend scouts on the 24th. Scouts enjoyed a game of rounders with Alan and Julie and brushed up on map reading skills.
