Fact:
Did you know that in
Scouting UK today
there are over 60,000
GIRL Scouts?

What's been going on this Month?

We have not been back long but we have already been really busy, with saying our final goodbyes two of our Cubs; Will and Ben as they have completed their moving on up to Scouts, we wish them all the best and we know they will really enjoy themselves and prosper with the Scouts team. Lucas and Fraser are completing their Moving On Award this term and will move to Scouts after half term. We have also had a Jamboree night where our ADC Alan Bennett came and erected his jamboree tent, hung flags from loads of countries and showed us a presentation with loads of photos of what the Merseyside contin-

gent got up to when they went over to Sweden! He also bought along some cake and juice Mmmmmmm!

Also this January the Cubs have been doing some Fire Safety, Home Safety and Promise Challenge work! We have done some work on our staged First Aid activity badge, looking at bleeding, burns/scalds, protecting the airways and how and when to get help.

Towards the end of the month we went to our district 5-a-side football competition, what we thought wasn't going to be a long afternoon turned into a long evening! This is mainly due to the fact that Reed Pack

managed to finish 3rd in the competition (our first ever football trophy!), and Fletcher pack did amazingly well but unfortunately they didn't bring home a trophy! Well done to everyone that went and took part, we are all really proud!

Our visit to Spaceport went really well! All the cubs that went completed their Astronomy badge, we had a look around the exhibits, drew some really cool spaceships and we even went into the space theatre where we learnt all about astronauts, and how they get to space, it was really rather funny! Take a look at some of the photos on the next page!

What's coming up?

9-11th March Deiniolen Weekend

Sat 24th March Chester Zoo

26th March Easter Fair

29-31st March WW Gang Show

28th April Group Work Day

5 -6th May Group Camp

25-27th May Hadlow District Camp

15-17th June Wingding County Camp

30th June Scout Group AGM

13th July Games Night

4-11th Aug Summer Camp (Cubs 4th-8th only - Beavers 7th & 8th)

28-30th Sept QCW District Cub Camp

And I'm sure there will be loads more in-between!
