ANIMAL CARER BADGE

This January we had an evening getting messy making bird feeders for the birds in our garden, and the following week we discussed the birds we saw or might see and we discussed the Animal carer badge and what it involves.

Sue Flush GSL came along to this meeting and we got her to give out some challenge and activity badges.

We celebrated chinese new year by making and decorating paper dragon puppets and by trying some food - sweet and sour chicken, noodles, and prawn crackers- went down well!

We also extend a very warm welcome to our new young leader James Barnes. James brings with him many years of experience of 'great games' and scouting knowledge. Thank you James for coming and joining us.
