What's happened this month?

This month we have had another brilliant Camp to Hadlow Fields where the Cubs that attended took part in several bases on the Saturday that involved different world faiths from Christianity to Buddhism and Sikhism, they learnt about the places that they worship in and what sort of God they believe in. This was a really interesting day with loads of different World religions to learn about! This is all part of the World Faiths activity badge. – This was also Akelas Birthday... Suitably embarrassed in front of the whole camp... Don't think she really thought she could keep it quiet! And I nearly forgot... We need to thank Mother Nature for the Amazing Sunshine!

Then on the Sunday all the Cubs took part in loads of different sports like Sack Racing and completed the Athletes badge.

This month we also entered 2 teams into the Cub Skills competition at our HQ, this day comprises of different

bases where the Cubs have to put into practice their Cub Skills e.g. First Aid, Map Reading, Tent Pitching, Map Signs and Many more... Well Done to all the Cubs that were involved this year!

Don't forget to get your deposits in for Summer Camp ASAP so as we know definite numbers... This year its going to be brilliant and the Cubs are in for a action packed 5 days! Cant wait!

Forthcoming Events:

15-17 June – Wingding

*23rd June – AGM *

23rd July – Cubs Water Games Night

4-8th Aug – Summer Camp
