What's happened this month?

Well... as it all draws to a close for another Christmas Holiday there is only one thing that we can do... have 3 weeks off... well nearly! We've had a cracking last couple of weeks orientating ourselves around the massive task that is the Christmas Post... one of our biggest fundraisers of the year and a Massive Thank You to everyone that's helped with that! – And is continuing to!

We've had a global charities night and found out about the great work charities do throughout the world! Our annual Xmas Fair and raised lots of money to keep our group afloat and try to continue the tradition of not raising Subs! We've held our first Summer Camp meeting with a few leaders... this year is going to be amazing! Furthermore we've also attended the annual Carol Service! By the time you have read this Reed Pack will have visited the Fire Station to find out about the station and engines! Who says we like to make life easy for ourselves!

Don't forget that you are all invited to join us for our Group Executive Committee meeting at The Anchor Inn on Friday 4th January 2013!

We hope you do come along and join us, you can meet the team, have your ideas for the group considered and hopefully you can see how great we all are and you may even want to join in!

iVolunteer... Could You?
