

Thor Beaver Colony newsletter for October/November 2012

Just before half term the Beavers learnt about the meaning of Fair trades and the right to clean water. They tasted 3 different types of chocolate to see if they knew the difference, needless to say they really enjoyed this evening.

The Beavers enjoyed the Scout groups Bonfire party, with different games to have a go on and lots of brightly coloured fireworks to watch. They attended with their families.

On another night, the Beavers were very creative, making Snowmen Christmas stockings for the Christmas fair.

We have attended the Remembrance service at St Bartholomew's Church, Thurstaston.

The following Beavers have received these badges:-

Isaac Burchall: - Promise Challenge.

Jamie Edwards: - Promise Challenge.

Jack Whyte: - Promise and Fitness Challenge.

Marsat Grey: - Hobbies activity badge.

George Heaton: - Animal friend activity badge.

Joshua McCoy and Isaac Burchall received their 2 year Joining-in badge.

Well done to Isaac and Jamie on gaining their Chief Scout Bronze award.
