What's happened this month?

We've started this year off with a BANG already with loads of visits! We've had a visit from Sgt Roberts from Merseyside Police (one of our Cubs Mums) who's talked to us about stranger danger and how we should keep safe! Then we had a talk from Ian Maxwell from Merseyside Fire and Rescue Service (one of our Cubs Dads) who talked to us about fire safety and keeping ourselves safe if we were ever caught up in a fire! NB the Cubs have been sent home with some 'Homework' to sit down and talk with their family about writing a fire evacuation plan for their home... they should bring this into Cubs to show us to fulfil part of their personal safety badge! Please return this after half term!

Before this newsletter goes out and after I've wrote it we have also visted RNLi Hoylake... and im sure we had a fab time looking around the lifeboat station... we usually do!

Forthcoming Events:

11th / 13th Feb 13 – Lifeboat Station Visit – Hoylake

18th March – Easter Fair

19-21st April – Dienolein Pack Holiday

27th April- District Cubs Day out – Cosford Air Museum
