What's happened this month?

Well... What a year 2012 was and 2013 is going to be amazing!

We've got loads of camps and things to get excited about! Its even our 80<sup>th</sup> anniversary!

We rounded off our year with a trip 10-pin bowling as a joint pack event and started 2013 with a games night at our hut!

Our second meeting we started our creative challenge and picked a couple of badges that the Cubs are going to do at home and bring in the evidence! So I can't wait to see the results starting to role in soon!

We've book onto the Bear in the Air County event and are waiting to hear back about that!

Please remember to bring back all the forms you've been given this year as they are all very important in our planning! – Lets make it our New Years Resolution!

Still got loads of vacancies within the group!
