Yet again another action packed month with loads going on!

We started looking at how to build fires and light them! Needless to say all the Cubs had a great time! They also looked at how to read a map using 6 figure grid references! Really hard to do! Then they followed a simple trail around our field!

They also learnt how to pitch a tent correctly, looking at where they pitch it and how it all goes together!

They've also looked at some of their Cub Skills like First Aid and Knots!

Then we actually attended our District Cub Skills day where Fletcher Pack came 3<sup>rd</sup> and Reed Pack WON the whole competition! Well Done to everyone who too part it was well deserved!

Then we've attended the district all sections Wild West camp at Hadlow Fields! It was another eventful camp with the Cubs taking part in Rock Climbing, Archery, Laser clay shooting, Wild West Re-enactment and a Rodeo BBQ to name but only a few! It was a sunny and funny camp! Everyone really enjoyed it!
