Dylan Hughes, Alex Law, William Johnson, Ethan Kewin, Tom Lambe, James Jones, Jack Edwards, Jack Phillips.

1st year joining in:-

Sam Quayle & Sam Shepherd

Chief Scout Bronze:-

Sam Quayle

Well Done

Since the last newsletter we have welcomed the following new Beavers, Jude Burnett, Charlie Fletcher, Jack Phillips, Flynn White and Oliver Norton-Jones. The Beavers have taken part in Community week by Litter picking around Irby Village, we then returned to the Scout hut for a well earned drink and biscuit, followed by a game of tadpole. We finished the evening with a farewell to Tom Lambe as he moves up to Cubs. Another night the Beavers learnt about different types of mini beasts, we finished the evening off with a mini beast hunt out on the field. They found lots of snails, slugs and a few spiders!!

Another night Pascal talked to the Beavers about Wildlife Conservation. Dylan brought in his bearded dragon, he told us how he looks after it and its diet. He gained his Animal Friend activity badge.

The Beavers have learnt how to look after the countryside, they have designed their own posters of what and what not to do in the countryside. On our last night before the summer break, Ismay and Thor colonies joined together for sandcastle building at Caldy beach, the weather was kind to us. It was nice to see all the Beavers having so much fun, we all got on so well together, with no Beavers wanting to go home at the end of the evening. The following Beavers were invested on the beach Jude, Charlie, Jack, Flynn and Oliver. We said farewell to Sam Whelen and Theo Redwood as they move on to Cubs.

I would like to thank all of my leaders and parents, for their help throughout the year.

Jayne Oliver B.S.L.
