

# **1<sup>st</sup> Thurstaston Wins Awards At District AGM 2010**

**As president's prize winners last year, it was our group's duty to be the flag party at this year's District AGM.**

**When it came to the awards section of the AGM, we were surprised and very pleased when not only did our Beaver colony receive the Reg Cook trophy, but also our Scout troop was awarded the Dave Blackwood trophy for Outdoor Activities. The latter includes a monetary prize for the troop to spend on outdoor activities.**

**It's a fantastic achievement for a Group to win two trophies and hopefully we will soon have some photos and news of how the scout troop spends their prize.**
