

## CHIEF SCOUT AWARDS

As a Scout Group we were delighted to take more than twenty Beavers and Cubs to the County Presentations for Chief Scout Bronze and Silver awards in November 09.

Here is a picture of some of them with their Chief Scout Silver Awards. You will notice that many of them are now Scouts and we hope to return with some of them in future years to maybe receive their Gold Award.

Here is another picture showing the Beavers with their Bronze awards.

We are very proud of all our Beavers and Cubs who go on to achieve these awards and were delighted with the presentation ceremony where they are able to celebrate this fantastic achievement with their families.
