

# CUBS POSTER COMPETITION

## SPRING 2011

Each year the District team at Cubs organise a Poster Competition with a different Safety theme for each Pack to take part in. This year was Internet Safety, earlier in the Spring term all our Cubs in their Sixes made a poster and they were all then given to the District Team for judging. The District choose one poster per Cub Pack to go forward to the finals night and represent their pack, Grey Six were chosen from our pack. We attended the Poster Competition final in March and had a quiz evening based on Internet Safety whilst the judges made their final decisions, during the evening the Cubs were also treated to Pizza and cakes with a drink. Unfortunately we were not selected as the overall winners, that honour went to 3rd Heswall. The standard was as high as ever and congratulations to Grey Six for doing so well this year, pictured here with their poster are three Cubs from Grey Six who were able to attend the finals night held at 4th Moreton head quarters
