Due to the ever-increasing size of the pack it was decided to have 2 parents helping each pack night. Please remember your night and if you are unable to make it, it is your responsibility to try to swap nights with someone else and inform me -we do appreciate that we all have busy lives! This rota covers up to the end of this term and will continue on alphabetically in January.

The parent helpers allow us to run smoother pack nights and maintain a better adult:child ratio. It also allows you to see first-hand what activities your child does at pack meetings. Of course, we would always love to see more parents willing to lend a hand, so if you have a spare evening either on a regular or irregular basis, or even if you have a particular skill that you can bring to us please let me know- we won't put a necker on you straight away I promise ☺!

Many thanks!
