

Great Escape Camp Kit List (Suggested)

Your Scout will need to bring their own personal equipment (the following list is a guide). Please make sure **they** pack on the basis that the weather will be cold and wet. The Scouts will be doing some activities that may result in them getting wet. It is therefore essential that they have sufficient dry clothes available to keep them warm. The site we are staying at can get muddy, so it is not recommended that your Scout brings new, designer clothing. They are going for an adventure not a fashion parade! The Scouts travel to and back from the camp in their Scout shirts and neckerchiefs.

Main Kit Bag			
Warm Sweater / Fleece x 2		Sleeping Bag, Camp Blanket & Pillow	
Pyjamas		Roll mat or inflatable mattress	
Trousers/ track suit bottoms (not jeans or fleece jogging pants) x 2		Socks / Undies x 3 (if your child has thermal underwear, then pack that as well)	
Large Plate (metal or plastic)		Cotton T-shirts x 4 (not football shirts)	
Cereal bowl (metal or plastic)		Trainers x 1 (these will probably get wet and muddy)	
Cutlery (knife, fork & spoon)		Towel	
2 to 3 carrier bags / black bin bags to keep wet clothing/shoes separate from dry kit.		Personal Wash Kit	
Penknife (to be packed in main bag for transport to and from camp)		Camp Chair (Please not the moon chair style as they take up too much space on the trailer)	

Daysack - to be taken on the minibus			
Waterproof coat & trousers		Torch & Batteries (head torch ideally, as the Scouts may arrive after dark on the site and will still need to put their tents up)	
Sweets - not too many!!		Woolly hat, scarf (or thermal snood) & gloves	
Personal Medication - handed to Camp Leader before we leave			

General Notes

1. Black bin bags are not suitable as sleeping bag covers as they tear very easily, please contain in a suitable carrier.
2. **Please name all clothing, wash bag, sleeping bag, towel, everything! especially Uniform and Necker. Write on the labels, initials are better than nothing.**
3. Penknives are allowed on this camp, but must be packed in the middle of the Scouts main bag for transport to and from camp.
3. No Gameboys, Ipods, mobile phones, Pokemon (or any other type) cards, radios etc please.
4. Your Scout needs to be prepared for whatever the weather decides to do; please don't leave things like waterproofs out because the weather looks ok when we set off.
5. Please let us know of any special / dietary needs, your child needs to eat and within reason we will try to accommodate this.
