

Margaret Fletcher MBE

In the 2011 New Year's Honours List, Margaret Fletcher was awarded the

MBE

for her services to the community of Irby and Thurstaston

We all send our congratulations to Margaret on this very well-deserved award

Margaret was presented with the award at Buckingham Palace in the summer

With respect to the Scout Movement, Margaret was involved for over 40 years, of which over 30 years was with 1st Thurstaston. She organised and ran both the Cub and Beaver sections and worked in a wider context with West Wirral District Scouts.

Husband Tony was similarly involved with Scouting at 1st Thurstaston as were sons Andrew and Jonathan. During his 40+ years in Scouting, Tony was Cub and Scout Leader and finally served 13 years as Group Scout Leader. Andrew was a leader with Scout and Venture sections for about 16 years and Jonathan was Cub leader for about 12 years.

A few years ago, our Cub Pack was named "The Fletcher Pack" for obvious reasons.

You can see a photo of the Fletcher family at Buckingham Palace elsewhere in the Archive section
