

St George's Day Parade 2009

As usual, on the Sunday nearest to the 23rd April, we had a District St George's Day parade. From our Group, 9 scouts, 14 Cubs and 17 Beavers attended and the parade marched from West Kirby Concourse with the Beavers going into the Methodist church in Westbourne Rd, the Cubs into the URC and the Scouts into St Andrew's in Graham Rd.

Each section had a theme for the day. The Beavers was St George for which they had made swords and shields at the previous meeting. The Cubs' theme was Fair Trade and Sharing. The collections were taken in support of Claire House

Following the services, we all marched back to the Concourse with each of the sections joining in the parade as it passed their churches.

Below are some photos taken on the day.
