A Grand Games Night

Friday 15th July 2011, 6.30pm

We are having a group games night just before the school holidays. It is a chance for the two Beaver Colonies, Cubs and Scouts to come together as a group, with their families for a fun evening.

It is planned that there will be 5-a-side football, tug-of-war, team table tennis and mini ten pin bowling for the children to take part in. There will be a barbeque, sweet stall, raffle and bar for the adults. This will be a great family evening's entertainment and hopefully raise some money for group.

To make this as successful as possible I will need a small army of helpers. On the website is a schedule of the volunteers that I require, from people to man the stalls to referees to run the games. Please let me know what you are able to do. The more helpers I have, the more that we can share the work around.

I am also looking for sponsorship of both the event and match balls for the 5-a-side. If you would like some publicity for your business then please contact me.

Further information regarding this event will be given nearer the date, but if you have any questions please let me know.

Please support this event.

Thank you
