A Message from Ian Humphry

Hi,

Just a note to say hello, I was amazed looking at the old pictures to see a picture with me in it, namely the 1972 “Tom Temple” District Camping Competition picture – that’s me at the top left. it brought back a lot of memories, we were the 3rd placed patrol.

I live in Australia now, but I get very nostalgic for my childhood in Irby and I wish I was back there

Regards

Ian
