A Message from Peter Constantine

Hi,

I found my old Scout Group Web site recently and spent an interesting few hours browsing.

I am Peter Constantine; ex Cub, Scout, Senior and Rover as well as an assistant Scouter, and Queen's Scout. I attach a photo of Tony Martin, and myself with Vic [Skip] Martin and a local personality, Frank Gordon. It was taken on the return of Tony and I from the 8th World Jamboree at Niagara on the Lake, Canada in 1955.

As a matter of interest I was the third Scout accompanying Colin Ratcliffe on the 1953 cycle ride together with Conrad Guard, and Ken Rowlands. (See Conrad Guard's photos).

I left Irby in the early 60's moving first to Birkenhead, then Coventry, Llandudno, Worcester, and Evesham, before settling in a small village just outside Ledbury. I was a Senior Scout Leader in Worcestershire for a while but my work [travelling sales] meant that I was away a lot and just could not give the time.

Keep up the good work.

Regards

Peter Constantine (16 June 2011)
