A Message from Steve Camp

I've just stumbled upon the 1st Thurstaston website and as it's now 42 years(!) since I left the Wirral I was fascinated to trawl through your photo archive, particularly with regard to the Venture Scouts from the 1968-70 era. I've spotted Pete Morton, obviously, and also a youthful Dave Mews and Gary Setford and I'd love to know what happened to some of these characters in later life.

Is anyone currently involved with the 1st Thurstaston group still in touch with any of the people from this era? I have in mind particularly:- Gary Setford, Dave Mews, Phil Turnbull or Steve Young (all of whom were in my year at Calday Grange Grammar School), Pete Morton, or even Arthur Mews who would be a very senior citizen by now. Apologies for any names forgotten or mis-spelt, but as you'll appreciate, it's been a very long time.....

Best wishes to everyone still involved with 1st Thurstaston - I'm delighted to see that things seem to have gone from strength to strength over the years

Regards, Steve Camp
